Canadian Premiere of Simon Stephens' haunting play

PUNK ROCK

Written by Simon Stephens

Presented by Beautiful City Theatre

Beautiful City Theatre produces the Canadian premiere of **PUNK ROCK** opening May 6, 2016 at Centaur Theatre. Written by the groundbreaking and award-winning playwright **Simon Stephens** (*The Curious Incident of the Dog in the Night Time*), **PUNK ROCK** tells the haunting story of a group of high school students dealing with adolescent angst, repressed feelings, unrequited love, and school violence.

PUNK ROCK forces us to confront the reality of school violence, and asks us to consider how this violence comes about, and the deep impacts that bullying can have.
